BILIARY DISEASES IN THE EAST AND THE WEST

SINO-ITALIAN LIVER CONFERENCE 2018

Scientific Organizers:

Pietro Invernizzi
Marco Carbone

A meeting aimed to discuss the more recent progresses in the biliary diseases field, both related to our understanding of the possible causes for these disorders as well as to the current clinical management. It will also be an opportunity to enhance synergistic interactions between the Italian and the Chinese communities of hepatologists.

Sponsor:

Endorsement

Associazione Italiana
per lo Studio del Fegato (AISF)
(Italian Association for the Study of the Liver)

Sistema Socio Sanitario
